

## Display Details

*Blue Artisans Design* custom displays are made to order and made to fit your every display need. Tell us what you want to display, where you want to display it, and we'll create a plan just for you. Or review the gallery of displays on the following pages and pick-and-choose from our elements. The possibilities are limitless as imagination.

**Description:** Whether you need a large, heavy-duty display, or an ultra-slim light-weight display with a tiny footprint, we can create what you need.

**Capacity:** Cards, books, tools or more, we can plan and guarantee the capacity of your display. Just as importantly, all of our displays can be transported and moved by one person (no single element is heavier than thirty pounds).

**Size:** Tabletop, countertop, freestanding, or ceiling-brushing, our displays fit your space and your transportation.
